

POSITIVE PREVENTION PLUS TEACHER CURRICULUM LOG

For each of the activities in each lesson, please indicate whether you **completed** it as described in the curriculum, **modified** it, or **did not complete** it. Adaptations or modifications might include changing the order of the lesson, adding new content or changing activities, skipping a portion of an activity, or changing the way you teach something (e.g., shortening an activity because of lack of time). Please describe any changes you made so we can better understand how we might make changes to the curriculum in the future.

Please complete the log immediately after each lesson for each class period you teach so that your responses are accurate. Please answer honestly. The information you provide will only be presented in group form. The information you provide is completely confidential. Your name or other identifying information will not be disclosed to anyone. Be sure to write in the date that each lesson was taught.
